

September 22, 2021

Aloha Residents, Families and Responsible Parties;

We thank you for your patience and understanding over the last several weeks in while in-person visitation was suspended. We are happy to announce that visitation can resume. We look forward to welcoming you all back and seeing you soon!

Given the continuing high prevalence of COVID in our community, we will be offering outdoor lanai visits only for Residents and their visitors at this time.

During your visitation, we ask that you adhere to the following guidelines (rules):

- **All visits must be scheduled through our Social Services Department. Please contact your Social Workers, Patty Griffiths (808) 441-9564 or Rhea Olsen (808) 441-9544.**
- **Visitors will wear face coverings/masks at all times during the visit (nose and mouth covered). Visitors are not permitted to eat or drink during visitations.**
- **A maximum of two (2) visitors per outdoor visit.**
- **Children under the age of 12 are not permitted to visit.**

ANRC reserves the right to stop a visit or deny visitation privileges if visitors are unable to adhere to the COVID-19 infection prevention and visitation guidelines (rules).

Your loved one's health, safety and well-being is our top priority. Please take the precautions to protect your loved one and abide by the visitation guidelines. If you have any questions, please call Vanessa Bruns at (808) 247-2220 x536.

Sincerely,
Vanessa Bruns
Quality and Compliance Officer
