Dear Residents and Families,

We are relieved to inform you that as of today, all additional employee and resident COVID tests as recommended by the State Department of Health have returned negative. We will continue diligent monitoring over the coming weeks and will notify you if there are any changes including any new occurrences in the future.

We understand your concern and remain focused on infection control protocol with the understanding COVID will be ongoing. Please call Darrin Schadel, Administrator at 441-9542 if you have additional questions or concerns.

Thank you for your support and patience.

Darrin Schadel
